

Front Cover Removal

Devireg™530 : Devireg™531 : Devireg™532 :
Devireg™535 : Devireg™DFT

On later models of the Devireg™53x series Thermostats, the single release tab for the Front Cover is located at the bottom of the thermostat - use a small screwdriver to CAREFULLY push the tab inwards and ease the Front Cover forwards at the same time.
