

**Don't get steamed up over your
bathroom mirror**

This product carries a 2 year warranty from date of installation

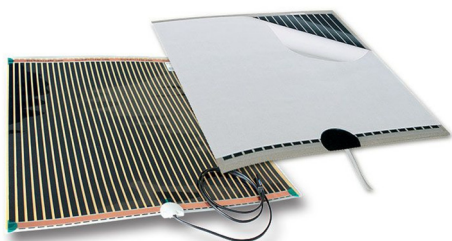

Comfortline MHF electric mirror demisters are specifically designed to attach behind the mirror and prevent filming of the mirror with steam and condensation. They may be wired to a dedicated switch, light switch or extraction fan switch to your preference.

All Comfortline mirror demisters are:

- Rated for 230Vac connection.
- IP44 class II design.
- fitted with a 1M cold tail lead.
- covered by a 2 year manufacturers warranty.

The demister is self-adhesive and affixed to the rear of the mirror or the wall behind the rear of the mirror.

Model	Watts (W)	Size(mm)
MHF 12	12	274 X 252
MHF 26	25	274 X 574
MHF 50	50	524 X 519
MHF 100	100	524 X 1004

If none of the *standard off-the-shelf* sizes meet your specific need, please call your nearest Heating Systems office to get pricing and lead time of our custom sized demisters.
