

Warranty for Comfortline Radiant Ceiling Foil Heating

DEVI Heating Systems Ltd warrant the following **COMFORTLINE** Radiant Ceiling Heating Foil for a period of 10 years as follows -

The products involved (**ECOFILM C foil, Crimps and Insulating Covers, Cold Tail**) will, in the event of a fault that can be tracked back to a manufacturing defect in the product, be repaired or replaced free of charge.

The Warranty term applies from the date of commissioning the system and must be within 6 months of product purchase.

Any warranty or non-warranty repair carried out by DEVI Heating Systems Ltd will be warranted to the end date of the original warranty.

To apply for the warranty -

- the heating systems must have been installed by an approved Installer or registered electrician.
- you will need to provide a copy of the Test Certificate, fully completed by the Installer/Electrician immediately following the commissioning of the heating system and which confirms that the heating systems was operating correctly at that time.
- the product must have been installed strictly in accordance with the manufacturer's Installation Instructions for this heating system.
- a copy of the Certificate of Compliance (CoC) issued by the installing Electrician may also be requested.
